

# **SUPERIOR TAX SOLUTIONS**

## **MENTORING PROGRAM**

The service we offer at Superior Tax Solutions is unique and quite different to many Accounting services you may have come across. We are passionate about wealth creation and have a strong drive to impart our knowledge and experience to others. Our client base has been built with a select criteria in place, and thus we have gathered together a group of like minded individuals who also have an interest in wealth creation.

We feel it important for our clients to continue to build on their knowledge base, as they ultimately are the ones driving their wealth creation 'bus'. Our philosophy is that the more information and knowledge we can impart to them, the better the overall results that they can achieve.

The complimentary Mentoring we offer is available to you from the minute you join our team. Don't wait until your Tax Return is due, or you may miss out on important information, resources and advice – make the Taxman work as hard as you do and take action **NOW!**

We offer a range of complimentary services and mentoring to support you on your wealth creation journey. This includes:

### **Access to the STS website containing:**

- § **Spreadsheets** and information worth 1000's to help you maximise your tax deductions
- § **Pro-formas** that assist you in the preparation of your tax documentation to help bullet proof you from a tax office audit
- § A personalised **Tax Data Collection form**

### **Our satisfied clients also receive:**

- § **Monthly Newsletters** covering a range of topics – you can even suggest topics for inclusion that you would like covered
- § Access to **bi-monthly Teleconferences** – ask any general questions, suggest topics to be covered, and hear expertise to assist in your wealth creation process. If you are unable to be involved in the Teleconference, then download the MP3 recording at a later date
- § The opportunity to have an **ongoing wealth creation review**
- § The opportunity to have an initial free **Asset Protection review** and ongoing support.
- § The opportunity to attend our FREE **Annual Seminar**

This is a fantastic opportunity for you to gain the knowledge you will need to make your financial goals a reality. We are here to help and assist you on your journey, but our belief is that with **KNOWLEDGE** comes **POWER** – all that is required is your action to take charge of your own financial destiny.
